2. On this day we strive to be His servants,  
 To do the work of Christ for those we find.  
 And we pray that He would be within us,  
 Filling heart and hands and mouth and mind.

3. Filled with hope we set out for tomorrow;  
 Challenges and trials there we see.  
 Yet God's word of peace gives us the courage  
 To become what He would have us be.
